Directions: Complete 5-10 jumping jacks. Jump up and open your legs wide, while your hands raise up above your head. Jump up and pull your legs together while your arms come down to your sides.
Directions: Complete 5-10 wall pushes. Stand on the spot marked on the ground. Place your hands on the wall in-front of you. Lean in towards the wall, bending your elbows. Push back out until your arms are straight while your hands are still on the wall.
Directions: Start by laying flat on your stomach. Lift both legs up off the ground towards the ceiling and raise your arms together off the ground in front of your head. Hold this position for 5-10 seconds if you can.

Next, roll on to your back and lay flat on the ground with your arms above your head. Bring your knees up to your chest and bring your arms down to your knees to hold them to your chest. Bring your chin in towards your chest and hold this position for 5-10 seconds if you can.
Directions: Start at the green dot and follow the path of the figure 8 with your pointer finger. Repeat up to 5 times.
Directions: Start at the green dot and follow the path to the left with your pointer finger. Continue to follow the figure 8 pattern by following the arrows. Repeat up to 5 times.
STATION #5 - SCOOTER BOARD

Directions: Sit on the scooter board and push yourself off the wall with your legs. Then lay down on your stomach on the scooter board and push off the wall with your arms.
STATION #6 - ALERTING CORE POSES

Directions: Stand on one foot and bend at your waist to lift your other leg out behind you. Stretch your arms out to be right beside your head. Hold this position for 5 seconds.

Directions: Stand on both feet, bend at the waist to put both your hands flat on the ground. Try to keep your knees straight and hold this position for 5 seconds.
STATION #6 - ALERTING CORE POSES

Directions: Pick up your left foot and place it on the other side of your right foot. Raise both arms over your head and hold this position for 5-10 seconds.
STATION #7 - CROSSING MIDLINE

Directions: Point your index fingers. Push all the buttons on the wall by reaching across your body.

Directions: Stand with feet apart and arms out. Bend down and cross your hand to the opposite foot (cross-crawls). Stand back up. Repeat with the other arm and opposite foot. Complete up to 3 repetitions.
