

Cultural Humility: Guiding Philosophical Principles

- ✓ Process not endpoint
- ✓ Self—reflection and Lifelong Learner Model: Beyond a detached description of “the other”
- ✓ The family’s story, not stereotyping
- ✓ The community teaches
- ✓ Program activities integral not peripheral or optional to excellent service provision
- ✓ Interdisciplinary, social science training
- ✓ We are the ones we’ve been waiting for: Internal organizational leadership is necessary for transformational change.
- ✓ Institutional context and transformation
- ✓ Community—based care and advocacy
- ✓ Program planners touched by the change they’re trying to facilitate modeling cultural humility
